This is truly a 'once in a lifetime' type adventure across the length of India, to build memories, experiences and make new friends, whilst traveling in a safe, structured, escorted and comfortable environment, in a land steeped in history and heritage, from the Northern foothills of the Himalayas, through deserts, plains, across continental rivers, metropolises, forts & palaces, vast & elaborate temples etc... traveling through various road terrains, to the Southernmost point of India - Kanyakumari, the only place in India where you can see an ocean Sunrise and Sunset!

We will jointly experience the different peoples, cultures, customs, languages, foods, architecture, scenery, wildlife, and environment along our chosen route. The 30 days ~5,100 kms adventure is planned to be structured into 4 stages to support participants who can only join for shorter periods of time. We will travel within 9 States, 1 Union Territory and visit major heritage cities and their fantastic landmarks. An SUV and motorbike combined adventure in parallel provides for partners and non-riding participants to join and make this a truly group, individual and couple friendly unforgettable experience. From the snow-capped peaks of Kullu to the blue sparkles of Kanyakumari, India beckons you to explore its ever-changing geography, its colorful history, and the legendary hospitality of its people.

Like all adventures, this one concludes at the confluence of the distinctive waters of the Arabian Sea, Bay of Bengal, and the Indian Ocean. No better setting can be found for the farewell dinner of this most epic of riding adventures in this country. Ride with us to discover India. Ride with us for a good cause. Ride with us to never be the same again.
